what's your type?

Whether you feel bold one minute or mellow the next, our Cuisinart Single Serve brews hundreds of gourmet beverages in less time than that and has more choices tailored to your taste than a coffee bar. If you want your water hot, hotter, even hotter still, there's even a button just for that. Want to pick from five cup sizes; everything from iced beverage to travel mug? There's even a button for that. There's also a reusable My K-Cup® filter to brew your own custom blend. Our 80 oz. reservoir keeps coffee, tea, cocoa, steamy oatmeal and soup flowing. And the rinse feature keeps each flavor pure. So whatever type you like, our Single Serve Brewing System gives you the total package.
